of it to support the author.*

Att: MRS' Staff

Happy Holidays
from Midy R. Sano

What, you were here, too?

I came because there is a person whom I was supposed to greet. Is this somebody that everyone should meet?

I only heard the same.

But I don't see any other people. You really don't know anything?

I only heard that I should greet people.

It's the same with me. How about you, do you know anything?

It's the same with me, too. I don't know what's going on.

That is unexpected. I thought that you must know something.

I guess you're not like a treasure to him after all? If that's not it, then...

What are you trying to say?

Honestly?

You just don't want to tell us. Don't try to act nice; show us what you're really like.

I DON'T KNOW.

It is quite noisy.

I told you all to wait quietly. Why are you making a scene? Are you fighting?

YOUR... YOUR HIGHNESS!

Tell me what happened, now.

No, your highness. Nothing happened.

I just wanted to be friendly with Yeo Room and talk to her a little bit.

It was nothing.

We just spoke too loudly for a moment...

If you try to pass it over like that, then I...

Must look like I'm the one who did something wrong!

What should I say...?!

Well, is Seo Young right? It's okay, you can speak. What happened?

Is it just me feeling this? I feel like he is baiting me. He wants me to say something.

Normally, this...

Wouldn't it be because he finds me suspicious? Or... perhaps he's...

trying to test me.

Th... that's not it! Yeo Room didn't do anything!

Seo Young tried to pick a fight with her first!

Seo Young is right.

If that's what it is, then I don't know what he is trying to test me for.

NOTHING HAPPENED.

It's time now.
Let's go, your
highness.

All three of
you, please
follow me.

You played too
much this time.

You
watched
everything
happen, so
why?

Playing, you could
think that, but...

Didn't
you have
something
you wanted
to tell me?

Yes, I do.
But I will try to
find out more about
it and then speak
to you.

Yes, that's fine.
Then, let's explain where
we are going.

The god priestess is
not just important to Siho
country, but to country
Yeon Seo and country
Dae Hoo as well.

There are many
people who have been
very eagerly awaiting
the god priestess.

Where we are
going now, people
have gathered, and I
am going to introduce
you to them.

This is only a simple
greeting, so there's no
need to be nervous

In a way, this may
feel like an exam, but
that just depends on
how you think.

You're
here!! You
are late.

Are you
prepared?

It is ready.

The exam

Come to think
of it, I can hear
people...

The emperor should
speak first, and then
the candidates should
speak one after
another.

Their voices won't be heard much, but it can't be helped.

What... what is this?!

However, there will be rumors and that should be enough.

I have to introduce myself in front of so many people?

No matter how you think of it,

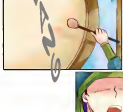

this is no simple greeting.

Here looking at

on our qualities.

...Can I do it?

THE EMPEROR IS HERE!

You must all know about the rumors.

Surely you have heard that there is a god priestess in this country.

The candidates for god priestess are here.

There must be a god priestess among these three.

According to the prophecy, the god priestess will give blessings to this country.

We are going to find who the god priestess is according to the exam.

I have thought about it deeply...

The meaning of the holy called "god priestess".

She will be selected as the queen and become the god priestess and the royal mother.

And now I am thinking about it. What the god priestess means to this

Now, the three of them will make their introductions.

Each one of you should try to introduce yourself slowly one by one.

All three of you step forward and don't feel burdened.

*What do you want
us to say in front of
so many people?*

*Don't think
of this as
difficult.*

*You don't
have to do it, but
you should show
some appreciation
if you are a god
priestess.*

*You can
just introduce
yourself simply
and say what
you want to
say.*

*Introducing
yourself in an official
meeting
must feel like
a burden...*

*This might be
your chance to prove
to yourself that you are
the god priestess.*

*They can feel the
pressure, and after this,
it will be like a shock
to them.*

*This is a gamble,
not only for them, but
for me also.*

*If they can't take
care of themselves for
something like this, I
don't need them!*

Continued next episode.
